### Investment Manager Overview

Mondrian is an employee-owned investment management firm that has successfully applied a value-discipline since its founding in 1990.

### Investment Objective

The Mondrian China Equity Onshore A Shares Fund (the Fund) aims to achieve long-term total return.

### Investment Approach

The Fund's investment approach focuses on future anticipated dividends and discounts the value of those forecasted dividends back to what they would be worth if they were being received today.

## Important Notes and Disclosures

This is a marketing communication. Please refer to the prospectus of the UCITS and to the KIID/KID before making any final investment decisions.

Calculations for P/E, P/B, dividend yield, sector country allocations and market caps are based on generally accepted industry standards. The details of exact calculations can be provided upon request. All characteristic data provided is produced using Mondrian's accounting system data. Past performance is not indicative of future results. An investment in the Fund involves the risk of loss. The investment return and value of interests in the Fund will fluctuate. When a withdrawal is made, the interests may be worth more or less than when originally purchased. There can be no assurance that the investment objectives of the Fund will be achieved.

The Fund is managed in accordance with the investment objective and guidelines and other terms and conditions described in the Prospectus and Supplement, as each may be amended or modified from time to time in accordance with their terms. The Fund is not managed in accordance with the individual guidelines of any one investor.

The Total Assets of the Fund and the Fund Return are calculated using the official Net Asset Value data of the Fund. All other information has been calculated using Mondrian's accounting system data, which may differ from official Net Asset Value data of the Fund, for example because of timing of the accounting of Administrative Expenses and pricing for securities. All returns in this Fund Overview are in US dollars.

All performance provided in this Fund Overview is net of Transaction Expenses but gross of Subscription Charges and Redemption Charges (each as described in the Prospectus and Supplement). GAV performance is gross of Management Fees and Administrative Expenses, whilst NAV performance is net of Management Fees and Administrative Expenses. Subscription Charges and Redemption Charges are automatically deducted from subscription payments and redemption proceeds. Investor returns will be reduced by Subscription Charges and Redemption Charges paid.

The MSCI China A Onshore Index Net data are presented. The MSCI China A Onshore Index Net Index assumes the reinvestment of dividends after the deduction of withholding tax and approximates the minimum possible dividend re-investment. Neither MSCI nor any other party involved in or related to compiling, computing or creating the MSCI data makes any express or implied warranties or representations with respect to such data (or the results to be obtained by the use thereof), and all such parties hereby expressly disclaim all warranties of originality, accuracy, completeness, merchantability or fitness for a particular purpose with respect to any of such data. Without limiting any of the foregoing, in no event shall MSCI, any of its affiliates or any third party involved in or related to compiling, computing or creating the data have any liability for any direct, indirect, special, punitive, consequential or any other damages (including lost profits) even if notified of the possibility of such damages. No further distribution or dissemination of the MSCI data is permitted without MSCI's express written consent.

Views expressed were current as of the date indicated, are subject to change, and may not reflect current views. Views should not be considered a recommendation to buy, hold or sell any security and should not be relied on as research or investment advice. This Fund Overview may include forward-looking statements. All statements other than statements of historical facts are forward-looking statements (including words such as "believe," "estimate," "anticipate," "may," "will," "should," "expect"). Although we believe that the expectations reflected in such forward-looking statements are reasonable, we can give no assurance that such expectations will prove to be correct. Various factors could cause actual results or performance to differ materially from those reflected in such forward-looking statements.

It should not be assumed that investments made in the future will be profitable or will equal the performance of any security referenced in this piece. Examples of securities bought or sold may not represent a complete list of all transactions in the period. Holdings are subject to change.

All references to "benchmark" assume the reinvestment of dividends after the deduction of withholding tax and approximate the minimum possible re-investment, unless the benchmark is specifically described as a "Gross" benchmark.
