PAST PERFORMANCE

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future.

This chart shows the fund's performance as the percentage loss or gain per year over the last 4 years against its benchmark.

It can help you to assess how the fund has been managed in the past and compare it to its benchmark.

- Performance data has been calculated including tax, ongoing charges and portfolio transaction costs and excluding entry and exit charges, in EUR.
- Where no past performance is shown there was insufficient data available in that year to provide performance.
- Sub-Fund launch date: 17 September 2020.
- Share Class launch date: 17 September 2020.
